

Activities of Alberka Committee Agents

On the 27th of July the committee agents of Alberka conducted various activities in the Deir Al Balah girls' school, where 2000 persons have resorted to live. They have made a preliminary assessment and analyzed the immediate needs of the families.

Due to the urgent need the committee gave their own first aid kit to the families and conducted a lot of activities with the children. They also conducted some medical checkups, dressed minor wounds and listed the names of the people who are currently living there.
