

Dear Friends

Bethlehem manger square

During the past year we sent you many words:
words of requests, reports, stories, and
gratitude for your support of the poor in the Holy Land.

As our Christmas greeting we invite you to
Listen in stillness to the Incarnate Word
Jesus Christ our new-born Saviour, Prince of Peace.

May He grant you, your families and loved ones
the peace that the world cannot give and
may He inspire our leaders with courage to work for a just peace
for all who live in this Holy Land.
